A ripe.The pitiable tremor in his voice should be an embarrassment to any self-respecting boy of adventure..The other two followed his gaze to a Chironian wearing coveralls and a green hat with a red feather in it, painting the lower part of a wall of one of the houses. Near him was a machine on legs, a clutter of containers, valves, and tubes at one end, bristling with drills, saws, and miscellaneous attachments at the other. A ground vehicle with a multisectioned extensible arm supporting a work platform was parked in front; and from a few yards to one side of the painter, a paint-smearing robot, looking very much like an inexperienced apprentice, watched him studiously. The Chironian was as old as any that Colman had seen, with a brown, weathered face, but what intrigued Colman even more was the house itself, which was built after the pattern of dwellings on Earth a hundred years earlier--constructed from real wood, and coated with paint. It was not the first such anachronism that he had seen in. "That's exactly right.".Bernard stared at his glass for a few seconds, then shook his head again. "I can't buy it," he said. "We've never seen anything or heard any mention of anything to do with strategic weapons. Where are they supposed to be?".Ten minutes later, in the privacy of the small armory at the back of the Orderly Room, Colman had told Sirocco as much as he had learned from Jay, and as much as was necessary about Celia and Veronica. Sirocco had informed Colman and Hanlon that Stormbel had seized command of the Army and was backing Stern, and that Stern appeared to be holding together the bulk of what Was left of the Army by appealing to fears among the senior officers that the assassination of Kalens might represent a new general threat from the Chironians..name, but at the exactly right one. Banks of large ovens, cooktops,.Colman nodded to himself and wiped his mouth with a napkin from the dispenser on the table while he tried to form the right answer. He was stuck in the Army but wanted to become a professional engineer; Jay could walk into being an engineer but thought he wanted to be in the Army. There would be no point in being scornful and listing all the reasons why it might not be such a good idea-Jay knew all those and didn't want to hear about it..Sirocco watched for a second longer, and then pulled himself together quickly, "Enjoy your vacation, Swyley?" he inquired with a note of forced sarcasm in his voice. "Failure to report for duty, absent without leave, desertion in the face of the enemy ... the whole book, in fact. Well, consider yourselves reprimanded, and sit down. There's a lot to go over, and we're all going to need some rest today. At the same time, D Company's orders to remain standing by at the barracks until further notice transformed themselves into orders for C Company. Ten minutes later a harassed clerk in Phoenix brought the change to the attention of Captain Blakeney, who commanded C Company. Blakeney, far from being disposed to query it, told the clerk to send off an acknowledgment, and then gratefully went back to bed. Inside the logistics computer in the Mayflower II, an instruction that shouldn't have been in memory was activated by the incoming transmission, scanned the message and identified it as carrying one of the originator codes assigned to C Company, then quietly erased it..to a point where it had entirely collapsed.
