"We've talked on and off about society going through phase-changes that trigger whole new epochs of social evolution," he said. "Well, that's exactly what's happened down

there. You can't extrapolate any of our rules into this culture. They don't apply. They don't work on Chiron.'.Kalens had evidently been working on the details for some time. He recovered the support of the commercial lobby by proposing that Chironian "nursery-school economics" be excluded from the enclave, and won the professional interests over with a plan to tie all exchanges of goods and services conducted within the boundary to a special issue of currency to be underwritten by the Mayflower II's bank. The Chironians who lived and worked inside the prescribed limits would be free to come and go and to remain resident if they desired, provided that they recognize and observe Terran law. If they did not, they would be subject to the same enforcement as anyone else. If its integrity was threatened by disruptive external influences, the enclave would be defended as national territory..Driscoll couldn't buy that. Splints, casts, miracle drugs, and time can't mend fractured.He sat bolt upright in his seat as the realization dawned on him of how it all tied together. Maybe Swley did have it all figured out after all..Lechat agreed that the Chironian culture, far from being a naive and backward experiment that would be absorbed without difficulty into the Terran system, as had been assumed, was highly developed in its own unorthodox way and would not yield readily to changes. The two populations could not simply be left to collide with each other in the hope that an equilibrium would establish itself. Something, somewhere, would blow up before that happened..CHAPTER THIRTY-THREE.Some motorists, recognizing the length of the delay ahead of them, have switched off their engines and.Cozy in the dark SUV, in the embracing scent of new leather and the comforting smell of the damp but.Evidently having snatched a small treasure from the teeth of the desert breeze, the dog holds the."On what I'm doing." The Chironian looked apologetic. "I could talk to him about the marine biology on the east coast of Artemia, putting roofs on houses, or Fermat's theorems of number theory," he offered. "Do you think he might be interested in anything like that?".lasers, slim grenades, handcuffs. Automatic pistols are holstered at their hips, but they arrive with more.mind to him, Curtis. He's had every opportunity to be normal his whole life, but he's always chosen to be.As she descended the back steps from Geneva's kitchen, Leilani regretted leaving Micky and Mrs. D so."I mean the bag. "What? you never saw one before?".becoming too much like a dog, wild and given to rash action..Although Casey and Barbara remained outwardly cordial and polite, they were making no attempt to disguise the fact that they felt the same way. Colman realized that for the first time he was seeing Chironians with the gloves off. All the warmth, exuberance, and tolerance that had gone before had been genuine enough, but beneath it all lay more deeply cherished values which came first, no matter who made the pleas. On that, there could be no concessions..toilet tissue, cleaning fluids, floor wax..Great work, Steve," Sirocco muttered, stepping inside while stealthy figures slipped through one by one from the shadows behind him. "How did the Amazing Driscoll go over?".overheating vehicles..A rosebush.".without adding two half-used pieces of apple pie to the mix..I don't have any idea what you're talking around," Micky lied. So Bernard was going up to the Mayflower ii too. He would explain everything to Jean later, he decided..Although the polls still gave him a comfortable margin, Kalens was worried that even as chief executive the division of power with the Mission's Congress would prevent his exercising the concentrated authority that he believed the situation would demand. Only a strong leader with the power to act decisively would stand a chance of solving the problems, and the Mayflower II's constitution was designed to prevent anyone's becoming one. Its spirit was an anachronism inherited from antiquity when a newly rounded Federation had sought to guard itself against a renewed colonialism, and the governing system embodied that spirit quite effectively. That was the problem..stands on the ridge line, the sky is too dark to reveal him in silhouette..wasn't hiding the booze from Geneva; her aunt knew that she enjoyed a drink before bed? and that she.And then he realized that Kath was smiling in a way that said there was no need to explain or rationalize anything. Still looking him straight in the eye, she said in a quiet voice that was not for overhearing, "We like each other as people, and we admire each other for what we are. There isn't anything to feel hung up about on Chiron. People who feel like that usually make love, if that's what they want to do." She paused for a second. "Isn't that what you'd like to do?".I heard a woman in the market who said that dead people talk to her," Susie told him. "That's even more ridiculous.".He also had rules that he lived by, standards that he wouldn't compromise, and procedures that must be.it.
