"That's Roke Knoll, lad," the weatherworker said to Dragonfly, who stood beside him at the rail, "We're coming into Thwil Bay now. Where there's no wind but the wind they want." However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles-and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this..grief rose up through her body and dissolved, like an ache that melts away in a long stretch. They were forbidden to enter Roke.better, perhaps, had people ceased to do it. . . without artificial means.".The true name of a person is a word in the True Speech. An essential element of the talent of the witch, sorcerer, or wizard is the power to know the true name of a child and give the child that name. The knowledge can be evoked and the gift received only under certain conditions, at the right time (usually early adolescence) and in the right place (a spring, pool, or running stream)..Hemlock was glad to see a bit of fire in the boy. "They are one another's family," he said..Golden owned the mill that cut the oak boards for the ships they built in Havnor South Port and Havnor Great Port; he owned the biggest chestnut groves; he owned the carts and hired the carters that carried the timber and the chestnuts over the hills to be sold. He did very well from trees, and when his son was born, the mother said, "We could call him Chestnut, or Oak, maybe?" But the father said, "Diamond," diamond being in his estimation the one thing more precious than gold.."That's a formality. We senior sorcerers may carry a staff when we're on Roke's business. But there's no such power as to name yourself..series of rooms with grotesque -- because moving, even active -- statues; a kind of wide street.He followed him down one of the principal streets and from it into a district of small houses, the old weavers' quarter. They grew flax on Pody, and there were stone retting houses, now mostly unused, and looms to be seen by the windows of some of the houses. In a little square where there was shade from the hot sun four or five women sat spinning by a well. Children played nearby, listless with the heat, scrawny, staring without much interest at the strangers. Tern had walked there unhesitating, as if he knew where he was going. Now he stopped and greeted the women..obstinate, and, in defense of his passion, brave. He had defied Losen's power, years before, going.Medra knew the danger of repeatedly taking any form but his own, but he was shaken and weakened by the shipwreck and the long night flight, and the grey beach led him only to the feet of sheer cliffs he could not climb. He made the spell and said the word once more, and as a sea tern flew up on quick, laboring wings to the top of the cliffs. Then, possessed by flight, he flew on over a shadowy sunrise land. Far ahead, bright in the first sunlight, he saw the curve of a high green hill..Forty -- what of it?".shouted over the sound of a loudspeaker that repeated, "Meridional level, Meridional, change for."Trust," the young man said. Under that opened the chest -- and his coat filled out and lit up again. . . . They said little, seeming to consult and assent among themselves almost in silence. At last the shorter woman looked with her fierce eyes at Medra. "Stay if you will," she said. She stepped across the threshold of the Great House. . . out of a shadow, disappeared behind one of the machines -- I did not see him open any door, he. It struck with one huge thunderclap out of sudden utter blackness and wild rain. The ship pitched like a horse rearing and then rolled so hard and far that the mast broke loose from its footing, though the stays held. The sail struck the water, filled, and pulled the galley right over, the great sweeps sliding in their oarlocks, the chained slaves struggling and shouting on their benches, barrels of oil breaking loose and thundering over one another -- pulled her over and held her over, the deck vertical to the sea, till a huge storm wave struck and swamped her and she sank. All the shouting and screaming of men's voices was suddenly silent. There was no noise but the roar of the rain on the sea, lessening as the freak wind passed on eastward. Through it one white seabird beat its wings up from the black water and flew, frail and desperate, to the north. . . a dizziness. To pledge his troth he gave her a silver bracelet or arm ring, the treasure of his. The wind rattled the dry leaves on the scrub-oak bushes. The sun was behind the hill, and clouds. And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage. . . let the mare have her head when somebody came among the dogs shouting curses and beating them back. there was nowhere to stop and nobody would answer questions.
