So not much heed was paid to him, until they had to take notice of him because of what he did and could do. He was an uncanny brat, as they say. He had powers. He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had asked around a bit. The father, a longshoreman, had died in the big earthquake, when Silence would have been seven or eight; the mother was a cook at a waterfront inn. At twelve the boy had got into some kind of trouble, probably messing about with magic, and his mother had managed to apprentice him to Elassen, a respectable sorcerer in Valmouth. There the boy had picked up his true name, and some skill in carpentry and farmwork, if not much else; and Elassen had had the generosity, after three years, to pay his passage to Roke. That was all Dulse knew about him..sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something she did not speak..but present, smiling, dancing. He got to his feet, and fell, because his left hip gave way with a pain that made him cry out aloud. After a while he tried again, and stood up. Then he started forward..Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them..Nobody would touch him. They stared from a distance at the heap lying in the doorway of San's house. San's wife wept aloud up and down the street. "Bad cess! Bad cess!" she cried. "Oh, my babe will be born dead, I know it!". They held each other tight, hard, silent for a long time. To Diamond it was as if he held his future, his own life, his whole life, in his arms..direction of the gate, slowly; it was not a pleasant moment, but he seemed not to notice me. He..And many there said good riddance, for he'd always been half mad, and now was mad entirely..To the sisters and all these villagers, Mount Onn was the world, and the shores of Havnor were the..dangerous. The art must be learned, and practiced, he said.. "He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had."I'll be in the Grove," she said. "And my heart with you, my dark otter, my white tern, my love.., the wind of dawn blew on the sea...her, and told people in the village to call him Otak. He probably couldn't remember her name..He embraced them, and they him, and he left the house..shift, and he saw the infinitely delicate, tender rise of her breasts. He drew her to him again..off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it.. "Oh, no, you're not, Master Otak. While you were out in the east range a sorcerer curer came by, a..it. He went down to the stream in which he had been named. He drank, washed his hands and face.. "What will you do?" she asked quietly..He could eat only in the cell, where they took his gag off. Bread and onions were what they gave him, with a slop of rancid oil on the bread. Hungry as he was every night, when he sat in that room with the spellbonds upon him he could hardly swallow the food. It tasted of metal, of ash. The nights were long and terrible, for the spells pressed on him, weighed on him, waked him over and over terrified, gasping for breath, and never able to think coherently. It was utterly dark, for he could not make the werelight shine in that room. The day came unspeakably welcome, even though it meant he would have his hands tied behind him and his mouth gagged and a leash buckled round his neck.. "There's the King," Licky said, in a tone that might have been reverence or hatred.
